

KNIGHTS SOUTHSIDE HOCKEY ASSOCIATION Initiation **PLAY FOR FREE** promotion

The Knights Southside Hockey Association is offering a PLAY FOR FREE promotion for initiation-level hockey players for the 2010-11 season.

Guidelines are as follows:

KSHA will reimburse up to two years worth of initiation fees to families of players registering in initiation hockey for the 2010-11 season. Reimbursement of these fees will take place when the child registers for his or her second year of Novice-level hockey

Rules are as follows:

- maximum amount of reimbursement toward second year is \$158 (\$79 per paid initiation season). All fees must be paid in full at the start of each hockey season.
- reimbursement will be made by cheque on December 1st of each qualifying year of a player's second year of novice hockey.
- underage player requests do not qualify as first-year novice eligibility or are included as 2nd year initiation fee. See * below for further information on novice eligibility.
- fee is not transferable to any other of Knights of Columbus Hockey associations or any other hockey associations.
- if you decide not to continue with KSHA beyond the first year novice eligibility, no refund of initiation fees will take place.

*Novice Eligibility

Novice eligibility means players who are 7 & 8 years old.

The focus of this KSHA promotion is to get children back into the hockey program and to reward our members who will remain playing with our association from Initiation through Pee Wee.

Please note that players registering in second year of novice eligibility with any association within the Edmonton Minor Hockey Association, are required to stay with that association through to Pee Wee unless they move to a different zone. Please contact EMHA for more information on player movement within its boundaries.

For more information, or to register, please contact Connie Oleksy at 780-469-6595.
