

2020-21 Registration Credits

Due to the shortened season, Knights Hockey was able to reduce fees. A credit was given based on 2020-21 season category and whether the player was opted out in writing by the deadline in February, 2021, or remained in after that. The credit/refund amounts are as follows:

2020 Category	Opt Out	Remain In
U7 - Discovery	\$100	\$50
U7 - Junior	\$100	\$50
U7 - Senior	\$125	\$85
U9	\$250	\$175
U11	\$300	\$225
U13	\$350	\$275

If a balance was owed at the end of the 2020-21 season, the credit first was used to pay off that balance.

To use credits for online registration :

- If 2020 registration was done online, the credit should already have been issued on teamsnap to the parent who registered the child the previous season. Register online as normal, and when at the final payment page, using the credit towards payment should be listed as an optin.
- If 2020 registration was done at an in-person registration, register as normal until reaching the final payment page. Stop there and do not pay yet. Contact the Knights registrar at registrar@knightshockey.ca to have the fee adjusted.

Credits may also be used at an in-person registration.

Credits may be applied to a sibling in the same family, and will still be available for the 2022-23 season if not used this season.

Refunds are still available if requested, but will be issued in batches no more than once a month. We thank you for your patience.
